# DIX-MAKE

*"This is a  
DIX-MAKE  
Dress"*

## No. 400

*The authorized government uniform during the war. Of superior quality Dixie Cloth; women's and misses' sizes.*

**Price reduced to \$5.00**

**Other styles reduced to \$3.50**

### *This May Solve Your Problem*

**W**E know how hard it is to obtain satisfactory uniforms when you have so little time for shopping. And we know *also* that many nurses have tried ready-made uniforms and have found them unsatisfactory.

With all this in mind, we ask you to try Dix-Make Uniforms believing that you will escape all this annoyance and vexation. They are made with a full appreciation of what nurses seek in a uniform. While quality remains the same, prices have been reduced.

Every DIX-MAKE garment bears the DIX-MAKE label. Sold by leading department stores nearly everywhere. Write for Catalog No. 34 and list of dealers.

**HENRY A. DIX & SONS COMPANY**  
**Dix Building** **New York**

*Makers also of DIX-MAKE House and Porch Dresses.*
